

Jukebox Rental

All day rental of a complete **Digital Jukebox** system loaded with music catered to your event. A list of suggested songs for all occasions to help get you started. Your basic package will consist of **Jukebox**, wires and operating instructions. The system will be delivered to your location and setup by a team member of 2Way Entertainment and picked up by a team member after your event has ended.

Our Jukebox can hold over **40,000** songs, you can search by song title, artists or genre. Just double click on the song and it will appear on the Jukebox play list. Your songs will play as they are added to the song list. (You cannot delete songs after they appear on play list.) The Jukebox is easy to use and fun for all groups. The day of rental, a staff member from 2way Entertainment will give you hands on instructions to operate the Jukebox.
