1. Why did you decide to hire a DJ for your event?

We decided to hire a DJ for our prom because it's a dance function and we had to have good music.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

The only thing I was concerned about was everything being set up ahead of time, before the event started. But, everything was ready to go when I got there.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

I liked how you got everyone to start dancing before dinner, especially because dinner was late. I also liked the music videos a lot.

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

I would say that it was well worth the money and to do it.

5. May we use your comments for promotional purposes?

YES! NO

Thanks for your help!

Thank you! The night went really smooth and everyone loved the music!
