

Client Feedback Form

1. Why did you decide to hire a DJ for your event?

My parents had used 2way in the past for company parties and highly recommended that we go with 2way for our wedding/reception.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

(1) Playing the correct songs at the wedding
(2) Getting the guests pumped up
(3) Saying everyone's names correctly

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

(1) Lionel really got the crowd going and on the dance floor!
(2) Song choice was perfect - slow when it was needed / fast when it was needed, ... thanks Robbie!
(3) Helped to make our night the absolute best it could be -- ~~was so good~~ 2way couldn't have done better.

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

Hiring 2way Entertainment is a must! Mark spent the time to get to know us and understand ~~what~~ what we wanted for our reception and Lionel + Robbie executed our vision perfectly! 2way was an integral part of our perfect day!

5. May we use your comments for promotional purposes?
