

Client Feedback Form

1. Why did you decide to hire a DJ for your event?

So that we were able to get a variety of music that everyone would like.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

Not playing current music. Hearing too many traditional songs.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

Love how seamless everything went. The flow of the music was awesome that they let my brother freestyle! That was great!

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

Best vendor I have dealt with. Up front from day one, willing to work with you and get what you want. Great business to work with. Prompt in returning phone calls. Great communication!

5. May we use your comments for promotional purposes?
