

### Client Feedback Form

1. Why did you decide to hire a DJ for your event?

We needed great entertainment for our fundraising event. And we were trying to attract new people.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

① The "Old" Crowd would try something new  
② We would sell enough tickets to the old crowd & new.  
③ That you could get the attendees on their feet

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

Video Video Video! Everyone thought the video with VFW on it was wonderful. Loved the pictures of people having fun. And Lionel was great!

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

I would tell them not to worry about who was going to entertain their guests cause I Way Entertainment is the "Best" DJ around. I would make sure I told them to request the video because everyone loves to see themselves as a "STAR"

5. May we use your comments for promotional purposes?

YES!  NO
