

Client Feedback Form

1. Why did you decide to hire a DJ for your event?

We wanted our guests to be able to request, and hear, a wide variety of music. We wanted a professional and fun group to get the crowd moving!

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

Honestly, after meeting with Mark and speaking with Jill, we had absolutely no worries. They couldn't have been any more enthusiastic or professional. We just sat back and enjoyed!

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

The pictures are AWESOME. They are most of our favorite pics of our wedding and it was so nice to come back from our honeymoon and have them there. The staff was so enthusiastic and professional and got everyone up and dancing. People are still calling to tell us how much they enjoyed the DJ and staff. Mark and Jill completely read the crowd and was able to

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

We have already recommended 2 way to a few people, so have our guests.

5. May we use your comments for promotional purposes?
