1. Why did you decide to hire a DJ for your event?

You can get much more song selection from a DJ.  
I will see you guys for any other event I do have!  
you were the best!!

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail - What were you really worried about regarding our service?)

1. Getting names right (pronunciation, correct order) - they did it perfectly!  
2. Getting pictures of video correctly - I wasn't sure we could get them later I beg  
3. Finding songs we wanted - like the Browns' goal song - we got all  
the songs we were looking for.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

1. You kept the evening going - the atmosphere was fun!  
2. You asked for what they wanted - and respected that - but also gave helpful tips/hints!  
3. Very personable people - my family knew all about you & hopes and dreams for the future!! ☺

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

I would tell them that your guys are amazing. You love what you do and it shows. You're more than a DJ - you help organize a time line - go over all the events of the day, do a picture slideshow - and take your own pictures!!

5. May we use your comments for promotional purposes?
