1. Why did you decide to hire a DJ for your event?

We had attended several receptions and the best receptions always came from having a great DJ.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

I was worried about whether or not our guests would transition from the tables to the dance floor.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

2-Way DJ'ed my sister's wedding, and the dance floor never cleared! At our wedding, the slideshow of our pictures drew the crowd to the dance floor, and the excellent mix of tunes 2-Way provided helped keep them there. Candid photos on the dance floor were fun to see, and only enhanced the moment! 2-Way also helped us organize the sequence of events to keep the celebration going!

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

DO IT! 2-Way DJ'ed 3 weddings I've attended so far and all were a BLAST! There's still another one lined up too! Mark and his team are very enthusiastic about the work they do! Stick with them, and you're sure to make the best memories of your special moments!

5. May we use your comments for promotional purposes?
