1. Why did you decide to hire a DJ for your event?

I got your name from the vendor list from the Brookside Club. Your personality, music knowledge + love of music + your fun attitude - I knew you were the perfect fit.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail - What were you really worried about regarding our service?)

- ① Music Choices - I didn't know what would be played other than what we specified
 - ② I was worried that something wouldn't get set up on time.
 - ③ worried about the whole wedding in general.
3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

- ① you guys got everyone up + moving!
- ② the transitions + flow was perfect!
- ③ your personalities + you went above + beyond in every area.

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

We were so blown away by Jill + Mark. People that came to our wedding are still talking about what a great DJ we had. We are trying to have an excuse to have another party so they can rock the night again!

5. May we use your comments for promotional purposes?
