1. Why did you decide to hire a DJ for your event?

We wanted to have a fun filled, well organized wedding day. Zway had done a fantastic job at a friend's wedding so we were confident that Zway was the best choice! We were 100% correct - IT WAS A PERFECT DAY! ☺

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail - What were you really worried about regarding our service?)

We wanted everyone to enjoy the day. We had a diverse mix of guests in all ages - we wanted to hear our favorite music without shocking or eliminating others from having fun - Mark was able to suggest a wonderful selection that pleased all of the guests.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

- ① Enticed everyone to let loose and have some fun!!!
- ② Kept everyone involved in the various activities
- ③ Kept the event organized and on track so that everything we wanted to happen fit into our short amount of time at the country club! ☺

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?
