Name Lauren & Danny Kenny Wedding Date 5/16/09

1. Why did you decide to hire a DJ for your event?

We've been to weddings that were spoiled by unreliable bands - a DJ would negate that uncertainty of quality of work so long as they ~~know~~ knew how to "read" the audience.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail - What were you really worried about regarding our service?)

Honestly I had no concerns regarding your services - our primary concerns were with the venue! No apprehensions, no stress regarding 2 way!!

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

- ① The tv with pictures was a HUGE hit - it captivated attention and certainly entertained  
② I thought the centerpiece giveaway would be "cheesy" but in reality, the guests loved it! The pictures prove it!  
③ Your ability to play to the crowd - you "knew" what to play, when to play, etc. Your intuition is phenomenal!
4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

I would recommend no other services other than you own - you will be forever remembered as an integral part of our celebration - we can't thank you enough!!

5. May we use your comments for promotional purposes?

YES!  NO

*Thanks for your help!*
