

Client Feedback Form

1. Why did you decide to hire a DJ for your event?

We wanted a variety of music styles. We also wanted someone whose responsibility was to coordinate the event and ensure that all our guests had a good time.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail – What were you really worried about regarding our service?)

We were concerned that a DJ could be too intrusive or try to control things too much in a way that we didn't want. This was definitely not the case.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

We really liked how the master of ceremonies kept everything moving. We also really liked how Mark would communicate with us when unexpected things would come up - we also were impressed with how he would handle these unforeseen situations smoothly and professionally.

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

They were great, and worth every penny!

5. May we use your comments for promotional purposes?

YES! NO
