

Client Feedback Form

1: Why did you decide to hire a DJ for your event?

2-way has historically been our choice from DJ. Consistently recommended by previous classes.

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail - What were you really worried about regarding our service?)

My only concerns were that 280 H.S. students would all have their own taste of good music. When they were given a "passcode" to select what they wanted

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

Mark & Co. "hung" in there for over 2 hours while we experienced a power failure and for during prom-management ran cords from a generator. Working with only 120 amps, Mark got the kids rocking + having a blast! Jill the photographer stayed the entire evening

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

There is absolutely no competition on Cape Cod for entertainment for a prom or party! I have worked at NRHS for 15 years and Mark & his staff

5. May we use your comments for promotional purposes?

YES!  NO
