1. Why did you decide to hire a DJ for your event?

We knew from our prior event that Mark and the staff at 2-Way Entertainment would make our event fantastic for both kids and adults. We also knew what a pleasure it is to work with them. We didn't even consider using any other DJ!

2. Please list the three biggest concerns you had BEFORE we actually entertained at your event. (Please describe these concerns in detail - What were you really worried about regarding our service?)

We were concerned about how a DJ + band would work together when they had never worked together before. We were also concerned about keeping the kids up and moving on the dance floor. Both were no issues the day of the event.

3. Please list the top three things you liked about what we did at your event. (For example, how we got everyone dancing and having fun. Be as enthusiastic as you want!)

We couldn't have been more pleased with 2-Way. You worked hand-in-hand with the live entertainment to make an event that was incredibly fun for children AND adults.

4. If you were to tell someone who was thinking about hiring us for an event like the one you had, what would you say to him or her?

Hire 2-Way Entertainment - They are fantastic. We look forward to hiring them again at our next event.

5. May we use your comments for promotional purposes?
