

Mark, Todd & Sam,

Thank you so much for a great night - everyone commented on what good music was played. Also, thank you for going above and beyond - staying through the ceremony and having the microphone for the Justice of the Peace. The weather left me with a lot of things to worry about, but the music was never one of them. Everyone's professionalism &

experience gave me the confidence to be able to leave it all in your hands, knowing it would be perfect (and it was). The music selection was right on, the pictures looked great on the tent roof. Todd - you were so patient and sweet - thank you! We'll definitely be spreading the good word!

Thanks,

Shannon & Nathan
